Greetings from the Active Chapter

Epsilon Sigma has just completed another successful semester and we continue to strive for excellence. At this point it is clear the Epsilon Sigma Chapter is on the rise: the Chapter has more than doubled in size over the past two years, has achieved the highest cumulative GPA of all fraternities for the past three semesters, and is committed to spreading the values of love, honor, and truth. This fraternity has flourished under great leadership over the past six years. We, however, could not have accomplished so much without the support and guidance from our alumni brothers. Thus, the Active Chapter of Epsilon Sigma would like to extend its most heartfelt gratitude to you.

Fraternally,

Andrew Bell
Alumni Relations Chairman

Message from Our Chapter Advisor

Brothers,

I was recently appointed Chapter Advisor and you will be glad to know the spirit of brotherhood is very alive at Epsilon Sigma. Here's the story behind this statement:

After my two daughters left to attend UT Knoxville I suddenly found myself with some time to devote to the fraternity. After a phone call to Headquarters, I was directed to the Epsilon Sigma (Pledge) Marshal and was soon scheduled to facilitate a LEAD session.

Even though we call ourselves brothers, I wondered how I would be received considering I'm about 30 years older than the active brothers and I am not a Rhodes graduate. From that first moment until now, every candidate, every active brother, and every alumni brother has made me feel welcomed and included. It is a tremendous feeling and just one example of the lifelong benefits of being a Sigma Nu.

Now, as Chapter Advisor, I am the liaison between Headquarters and the Chapter. These young men must run the Chapter on their decisions, so my role is to advise. This includes attending meetings about twice per month, making sure the proper forms and information is reported on time, and some other administrative duties.

I have found Epsilon Sigma to be a great chapter with plenty of spirit, enthusiasm, and dedication to making the Chapter successful. I encourage you to see this for yourself by volunteering for a LEAD session, attending an Alumni Chapter meeting, or coming to the 75th Anniversary Celebration. I am sure you will enjoy any time you invest with the Chapter and it will give you a meaningful opportunity to help Sigma Nu Fraternity and the Epsilon Sigma Chapter as they have helped you.

Love, Honor, Truth,

Rob McCleary
Chapter Advisor
